wielkopolskie centrum onkologii

**FIRST ANNOUNCEMENT**

## THE ACCIRAD PROJECT

---

ACCIRAD is an EU-funded project the objective of which is to perform a study on the implementation of the Council Directive 97/43/EURATOM (Medical Exposure Directive, MED) requirements aimed at the reduction of the probability and the magnitude of accidents in radiotherapy and to develop guidelines on a risk analysis of accidental and unintended exposures in external beam radiotherapy.

[www.accirad-workshop.eu](http://www.accirad-workshop.eu)

## **OBJECTIVES OF THE WORKSHOP**

---

The main objectives of the Workshop are:

- to promote the work of ACCIRAD Consortium,
- to present the results of the questionnaire and achieve wide feedback on the European Guidance,
- to encourage all countries to promote the implementation of the requirements of Article 11 of MED.

## **REGISTRATION:**

---

- opened to everyone, including abstract submission,
- there are no registration fees,
- fee for coffee and lunch break will be optional, not exceeding 50 Euros,
- the number of participants will be limited to 150.

## **WORKSHOP TOPICS**

---

- national experiences in the implementation of the MED requirements (national, regional, and local levels). National legal provisions in the implementation of MED requirements.
- classification, reporting (to legal entities, to patients, to professionals) and registration of incidents in radiotherapy.
- EU Member States Policy for risk management in radiotherapy (national recommendations).
- innovations in risk management (software, research, new methodology, pilot Project etc.).
- preventive measures (QA, QC, clinical audits etc.).
- lessons learnt from radiotherapy incidents/ accidents.
- education and training on risk management in radiotherapy.

## **CALL FOR PAPERS**

---

The workshop programme will comprise oral presentations given by the ACCIRAD partners, keynote presentations given by invited speakers, and poster presentations of contributed papers.

## **OFFICIAL LANGUAGE**

---

The official language of the Workshop will be English.
